

(2) *as expeditiously as is prudent considering the ordinary professional skill and care of a competent engineer or architect.*

(e) *In a contract for engineering or architectural services to which a governmental agency is a party, a provision establishing a different standard of care than a standard described by Subsection (d) is void and unenforceable. If a contract contains a void and unenforceable provision, the standard of care described by Subsection (d) applies.*

(f) In this section, “governmental agency” has the meaning assigned by Section 271.003.

SECTION 2. Section 271.904, Local Government Code, as amended by this Act, applies only to a contract for which a request for proposals or a request for qualifications is first published or distributed on or after the effective date of this Act. A contract for which a request for proposals or a request for qualifications is first published or distributed before the effective date of this Act is governed by the law in effect on the date the request was published or distributed, and the former law is continued in effect for that purpose.

SECTION 3. This Act takes effect September 1, 2015.

Passed by the House on May 4, 2015: Yeas 131, Nays 7, 1 present, not voting; the House concurred in Senate amendments to H.B. No. 2049 on May 26, 2015: Yeas 143, Nays 1, 3 present, not voting; passed by the Senate, with amendments, on May 22, 2015: Yeas 26, Nays 5.

Approved June 17, 2015.

Effective September 1, 2015.

ESTABLISHMENT OF A SENTINEL SURVEILLANCE PROGRAM FOR EMERGING AND NEGLECTED TROPICAL DISEASES

CHAPTER 758

H.B. No. 2055

AN ACT

relating to the establishment of a sentinel surveillance program for emerging and neglected tropical diseases.

Be it enacted by the Legislature of the State of Texas:

SECTION 1. Subtitle D, Title 2, Health and Safety Code, is amended by adding Chapter 100 to read as follows:

CHAPTER 100. EMERGING AND NEGLECTED TROPICAL DISEASES

Sec. 100.001. **DEFINITIONS.** *In this chapter:*

(1) *“Emerging disease” means a disease that is appearing in a specific population for the first time or that is increasing in incidence or geographic range.*

(2) *“Health facility” includes:*

(A) *a general or special hospital licensed by the department under Chapter 241;*

(B) *a physician-owned or physician-operated clinic;*

(C) *a publicly or privately funded medical school;*

(D) *a state hospital or state school maintained and managed by the department or the Department of Aging and Disability Services;*

(E) *a public health clinic conducted by a local health unit, health department, or public health district organized and recognized under Chapter 121; and*

- (F) another facility specified by a rule adopted by the executive commissioner.
- (3) "Local health unit" has the meaning assigned by Section 121.004.
- (4) "Neglected tropical disease" means a parasitic or bacterial disease that:
 - (A) occurs solely or principally in the tropics;
 - (B) is largely endemic in the developing world; and
 - (C) has a potential to spread through international travel or trade.

Sec. 100.002. **CONFIDENTIALITY.** (a) Except as specifically authorized by this chapter, reports, records, and information furnished to a department employee or to an authorized agent of the department that relate to cases or suspected cases of a health condition are confidential and may be used only for the purposes of this chapter.

(b) Reports, records, and information relating to cases or suspected cases of health conditions in the possession of the department under this chapter are not public information under Chapter 552, Government Code, and may not be released or made public on subpoena or otherwise except as provided by this chapter.

(c) The department shall release medical, epidemiological, or toxicological information:

(1) to medical personnel, appropriate state agencies, health authorities, regional directors, and public officers of counties and municipalities as necessary to comply with this chapter and rules relating to the identification, monitoring, and referral of individuals infected with an emerging or neglected tropical disease; or

(2) to appropriate federal agencies, such as the Centers for Disease Control and Prevention of the United States Public Health Service.

(d) The department may release medical, epidemiological, or toxicological information for statistical purposes, if released in a manner that prevents the identification of any person.

Sec. 100.003. **LIMITATION OF LIABILITY.** A health professional, a health facility, or an administrator, officer, or employee of a health facility subject to this chapter is not civilly or criminally liable for divulging information required to be released under this chapter, except in a case of gross negligence or wilful misconduct.

Sec. 100.004. **COOPERATION OF GOVERNMENTAL ENTITIES.** Another state board, commission, agency, or governmental entity capable of assisting the department in carrying out the intent of this chapter shall cooperate with the department and furnish expertise, services, and facilities to the program.

Sec. 100.005. **SENTINEL SURVEILLANCE PROGRAM.** (a) The executive commissioner shall establish in the department a program to:

(1) identify by sentinel surveillance individuals infected with emerging or neglected tropical diseases;

(2) maintain a central database of laboratory-confirmed cases of emerging and neglected tropical diseases; and

(3) use the information in the database to investigate the incidence, prevalence, and trends of emerging and neglected tropical diseases.

(b) In establishing the sentinel surveillance program for emerging and neglected tropical diseases, the executive commissioner shall consider:

(1) the location of health facilities that collect locally emerging and neglected tropical disease information; and

(2) the use, privacy, and security of existing data collected by health facilities.

(c) The executive commissioner shall adopt rules to govern the operation of the program and carry out the intent of this chapter, including rules that:

(1) specify a system for selecting the demographic areas in which the department collects information; and

(2) identify the specific emerging and neglected tropical diseases that are included in the sentinel surveillance program and the manner in which diseases will be added to

the program as necessary to reflect changing conditions.

Sec. 100.006. DATA COLLECTION. (a) To ensure an accurate source of data, the executive commissioner may require a health facility or health professional to make available for review by the department or by an authorized agent medical records or other information in the facility's or professional's custody or control that relates to an occurrence of an emerging or neglected tropical disease.

(b) The department shall reimburse a health facility or health professional for the actual costs incurred by the facility or professional in making copies of medical records or other information available to the department.

(c) The executive commissioner by rule shall prescribe the manner in which information is reported to the department.

Sec. 100.007. DATABASE. (a) Information collected and analyzed by the department or an authorized agent under this chapter may be placed in a central database to facilitate information sharing and provider education.

(b) The department may use the database to:

(1) design and evaluate measures to prevent the occurrence of emerging and neglected tropical diseases and other health conditions; and

(2) provide information and education to providers on the incidence of emerging and neglected tropical diseases.

Sec. 100.008. EDUCATIONAL AND INFORMATIONAL MATERIALS. The department shall make available to health facilities and health professionals:

(1) educational and informational materials concerning emerging and neglected tropical diseases; and

(2) information on the importance of monitoring and surveilling emerging and neglected tropical diseases.

SECTION 2. Not later than November 1, 2015, the executive commissioner of the Health and Human Services Commission shall adopt rules as required by Section 100.005, Health and Safety Code, as added by this Act.

SECTION 3. This Act takes effect September 1, 2015.

Passed by the House on May 8, 2015: Yeas 138, Nays 4, 2 present, not voting; passed by the Senate on May 26, 2015: Yeas 30, Nays 1.

Approved June 17, 2015.

Effective September 1, 2015.

RESCISSION OR WAIVER OF AN ACCELERATION OF THE MATURITY DATE OF CERTAIN DEBT SECURED BY A LIEN ON REAL PROPERTY

CHAPTER 759

H.B. No. 2067

AN ACT

relating to the rescission or waiver of an acceleration of the maturity date of certain debt secured by a lien on real property.

Be it enacted by the Legislature of the State of Texas:

SECTION 1. Subchapter B, Chapter 16, Civil Practice and Remedies Code, is amended by adding Section 16.038 to read as follows:

Sec. 16.038. RESCISSION OR WAIVER OF ACCELERATED MATURITY DATE.

(a) If the maturity date of a series of notes or obligations or a note or obligation payable
